

Classroom Training

Hands-on Practice

2Serve Disaster Training & Response Team Offers FEMA Basic CERT Disaster Training Calhoun Seventh-day Adventist Church

Where: 1411 Rome Rd, SW Calhoun, GA 30701

When: August 21-25, 2024

Cost: \$40 per person (Due at onsite check-in)

Equipment: You will need a device that connects to the internet to take the test and clothes you do not mind getting torn and/or stained for the simulation.

To Register: Email your intent to take the class to Jim Ingersoll, jci143@icloud.com

Information: FEMA's Basic CERT (**Community Emergency Response Team**) disaster training is a 20 hr course that trains a person for disaster preparedness, planning, survival skills, and mutual aid during the initial period of coping with the aftermath of a disaster or community crisis when quality of survival and one's ability to help others safely and effectively is critical.

You will to learn how to:

- work with community disaster response plans.
- work with first responders and their protocols.
- conduct an appropriate response.
- do the most good for the most people.
